The Great Kindness Challenge
THE GREAT KINDNESS CHALLENGE

The Great Kindness Challenge is one school week devoted to performing as many acts of kindness as possible, choosing from a checklist of 50 kind deeds.

For the schools, it’s FREE, EASY to implement and has a HUGE IMPACT! Students, kindergarten through high school, joyfully do their part and prove that KINDNESS MATTERS!

For sponsors, it’s an opportunity to connect your company with a positive message carried through the nation’s schools into homes across the nation.

WE ARE ENDING BULLYING!

The National Education Association reports that school bullying statistics are startling:

• 1 in 3 American school children are harmed by bullying
• 83% of girls and 79% of boys report experiencing harassment
• 160,000 children cut school daily to avoid peer attacks and intimidation

According to StopBullying.gov, in order to combat bullying, schools must “encourage students to show thoughtfulness and respect for peers, adults and the school”.

WE PROVIDE A PROACTIVE TOOL

With the GKC checklist in hand, students of all ages are empowered to create positive change.

Your support for The Great Kindness Challenge puts your company out front on this nationwide effort to promote kindness and end bullying.
“Our campus is seeing some radical change. Smiles, thoughtfulness, and a much more positive attitude can be seen around the Cottonwood Canyon Elementary campus. Thank you for coordinating this amazing event.”

- Shelley Carlisle, Teacher

“Kindness is a lifestyle choice.”

- Eli, Fifth Grade Student

“This free program teaches so much of value to students of all ages; in fact, to adults as well. In addition to random acts of kindness, participants actively seek out purposeful acts of kindness. We hope their efforts have an enduring effect.”

“Not only were there more smiles on campus, there were also zero behavioral referrals to my office during the Great Kindness Challenge week. I believe in all my years as an administrator that has never before happened. True success!”

- Rita Powell, Elementary Principal

“It’s easy and it’s fun to tell someone something nice and then you’re a part of it with them.”

- Bodey, Third Grade Student

“I tutor a little girl, Jennifer. She is extremely shy. Today, when I asked her what she’d done to fulfill the GKC, I was amazed to learn she’d smiled at 25 people. So I asked her to smile for me. At first, she couldn’t bring herself to do so. But after a moment, she did! Your program works – on so many levels.”

- Marilyn Campbell, School Volunteer

“With bullying happening at school and online, kids are having a hard time. Simply being nice can make a big difference.”

- Hana, High School Freshmen

“After this week ends, I want to keep being kind.”

- Michaela, First Grade Student

“Kindness is a lifestyle choice.”

- Chad Lund, Elementary Principal
